THE ULTIMATE TILE + STONE EXPERIENCE <sup>SM</sup>

## Installation Design Showcase Participating Designers' Concept Rooms

Joan DesCombes

With hands-on help from Cox Tile and Marble, the Florida-based kitchen designer dreamed-up a personal pamper patio, which included a functioning tiled fountain, and a bench and bar table made from wood-lookalike porcelain tile.

Grant Gribble

The Orlando native teamed-up with Collins Tile and Stone to create a retro-chic 70's-inspired master bath boasting multi-colored tile composed into chevron-style wall art.

## Foreman Rogers

Paired with David Allen Company, the senior designer from tvsdesign in Atlanta envisioned a beautiful boutique guest room ripe with unique and artful applications.
